CMI TOYOTA EARLY ENTRY DRIVE
WIN A TOYOTA YARIS
We love to see you CHAIRing
CMI TOYOTA

Use the chance of winning this great prize as an incentive to get your team support in early! ENTER & PAY BEFORE 31/8

Do you want any posters to put up at your office or give to corporate supporters?
Let me know and I can send you some

This year we have introduced a new facility, which allows a team members list to be viewed from our home page. This will allow you (as the Team Coordinator) to see who has or hasn't entered the event, without you being responsible for keying their entries personally.

(This new option is available under, EVENT INFO, Team/Company Competitor Lists)

If you see support from an organization that you are unaware of, you can contact them and possibly invite them to your Village Site, wear your T-Shirts and suggest they build an online fundraising page to raise even more funds for your cause.

We know most of you don't have a lot of time to process team entries, so when approaching groups to support you, ask them if they will be responsible for keying their own entries. That way payment for entry fees is made directly from their office to ours, we will forward race numbers directly back to the address they key—so you can concentrate on the important stuff of maximising your fundraising and building relations with them.

If your office keyed 2010 entries, we will be sending an email out early next week, confirming your LogonID and password. This allows you to simply import entrants from 2010 to the 2011 event. A hardcopy entry form is not necessary; team members can simply register their with you—you may like to use the Online Summary Sheet, found under Team Coordinator info.

Multiple family discounts cannot be accommodated under a group entry. Each User Account will allow you to register one family group only, any subsequent family entries (wanting the discounted rate) need to have separate User Accounts
